Your party?

An event usually is short-lived... but the impression WE leave will last forever!

Beside being a "proeflokaal," Gorissen is also open for hosting events. In the past we've hosted many events, such as: Weddings, birthdays, coffee tables, company parties, presentations, communions, diners, baby showers, meetings, receptions and many other events!

Because every event has its own trade-marks and every person has a different taste, we'll be able to adapt ourselves to YOUR tastes after a short conversation about all the ins-and-outs. Your "party" will only be complete with tasty food and refreshing drinks, a band or a DJ, and of course a helpful staff. We know all about that. We have our connections, so if you're finding it difficult finding a band or a DJ, we'll be able to help you with that.
