Breakfast & Lunch

English & Dutch Breakfast till 12.00h.

The English breakfast is world-famous, mainly because of what the average Englishman eats on an empty stomach. Our restaurant now has exactly that typical "English breakfast" in it. All ingredients are imported from England and everything is served hot at this breakfast. As opposed to the Dutch breakfast, which is much richer in fibres, so also healthier.

With the English breakfast, you have a choice of 3 portions, whereas the Dutch breakfast is just a typical Dutch breakfast.

English Breakfast Heavyweight €16,00
